

## **Darke Rural Electric Seeks Journeyman Lineman**

Darke Rural Electric Cooperative, Inc., is currently seeking a journeyman lineman candidate to work in the cooperative's service territory in Darke and Preble counties.

Candidates should possess strong skills and experience working with electric distribution systems. Skills should include working knowledge of single and three phase line construction as well as maintenance, metering, substations and service work. Candidate must have a valid Class A CDL and be willing to relocate within close proximity to the cooperative office.

Darke Rural Electric offers an excellent compensation and benefits package to its employees. Candidates are required to meet safety standards set forth by Darke REC standard operating procedures, OSHA and the ANSI standards.

Deadline for consideration is October 21, 2022. Please submit resumes to:

Department of Human Resources  
Darke Rural Electric Cooperative Inc.  
PO Box 278  
Greenville, OH 45331
